Dear Parents/Guardians,

As the academic year of 2019-2020 is now (almost!) behind us, we would like to let you know that summer assignments are now available for students to begin. This year, summer work will include both Math and English as a requirement prior to the start of the 2020-2021 school year. There is a great amount of choice for your child which is really exciting!

Please note that students who are enrolled in AP or UCONN courses will also require additional summer coursework as provided by their teachers.

Please share the following information with your child(ren):

Math:

All students should complete thirty minutes of **Kahn Academy** each week. All high school students entering grades 10, 11, and 12 already have Kahn accounts set up. For students entering grades 7, 8, and 9, teachers have created new accounts for each student. Please make sure to respond to your teacher who set up the account for access.

English (High School)

Students entering grades 9-12 next year should utilize the following link to access their English Assignments: <https://docs.google.com/document/d/1dS-IYUvS3yuXD3N8y81OGJ5nm-B8jGsPrhKhV9lh0Vw>

English (Middle School)

Students entering grades 7 and 8 next year should utilize the following link to access their English Assignments:
